

Cool Feeling Gel Mat

Good-bye at the night of the hot summer.

Big Hit in Japan!!

Which do you like the best?

Temperature of back after 20 minutes going to bed

When the Gel Mat is used. Only the sheets

"Cool feeling Gel Mat" gives you agreeable sleep and make you happy!

Examination by Japan Synthetic Textile Inspection Institute Foundation

Why do we feel GEL is COOL?

You can get the cool feeling because the gel absorbs heat from the part that the body touches.

Sense of low repulsion mat of moderate hardness.

Heat runs away from the part that the body doesn't touch.
